

i-PRO

The Power of Truth

i-PRO Americas Inc. is inviting select A&Es, designers and consultants to join us for a round-table discussion at our new

Anaheim Experience Center

2390 E. Orangewood Ave.
Suite 490
Anaheim, CA 92806

Tuesday, August 16, 2022

10:00 a.m. - 2:00 p.m.

Lunch will be provided

Networking & Social Hour at the Karl Strauss Brewery

1:00 - 2:00 p.m. (Located inside the Anaheim Experience Center)

See what's new and what we do at i-PRO. Hear from your peers and share your ideas on the following topics:

- Best practices in cybersecurity for video systems
- Open architecture strategy for best-in-class system design
- Benefits and challenges of incorporating AI analytics into your system
- Tools, resources and best practices for system design

Guest Speaker: Julian Harvey

Julian Harvey is the Vice President of Security and Guest Services for the Anaheim, CA Honda Center and the upcoming mixed-use community and entertainment district, ocVIBE, in the Anaheim Platinum Triangle. Prior to his current position, Harvey served on the Anaheim Police Department for 27 years in a multitude of high-ranking positions, including serving as the Acting Chief of Police from 2017-2018. During his time on the Anaheim Police Force, Harvey implemented the first body-worn camera program within Orange County. In 2020, he was elected by the Huntington Beach City Council as Interim Chief of Police to lead the department during an administrative transition that coincided with the global pandemic. With 30-plus years of law enforcement and safety experience, Harvey has an extensive background and vast knowledge in the field of public safety.
